

The City of Huntington Beach Community Services Department is encouraging the community to get outside this fall! Residents of all ages can engage with the out-of-doors by recognizing the value of outdoor play! And outdoor activity encompasses just about anything....try taking a tennis class, visiting a harbor or beach, taking a run or a walk, or exploring one of our many beautiful parks. The SANDS Community Services Guide is full of ideas for outdoor activity.....and the sky is the limit! Our beautiful beach climate invites communities to spend time together, so get outside and play!
